

RECOMMENDATION LETTER

To whomsoever it may concern

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online Learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on quality education.

It is with great pleasure that I recommend Adduri Deepthi, on the basis of the performance in the MyCaptain Artificial Intelligence course in the month of July, 2022, Adduri Deepthi performed well during the course and gained relevant skills as seen in the Project submissions and participation in all activities part of this course.

With this, I would take this opportunity to wish Adduri Deepthi, all luck for future endeavors and hope for a bright future ahead.

Kind Regards,

Sameer Ramesh
