

APPRECIATION LETTER

To whomsoever it may concern

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on quality education.

I would like to appreciate all the hardwork and diligent effort Adduri Deepthi has put in MyCaptain Artificial Intelligence course in the month of July, 2022. As the mentor, I have seen that in every live video class session, Adduri Deepthi was very participative and always willing to learn and enhance skills in every aspect. Adduri Deepthi is always willing to put forth a unique approach for the projects and activities that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Adduri Deepthi, all luck for future endeavors and hope for a bright future ahead.

Kind Regards,

Aviral

Artificial Intelligence, MyCaptain
